

Day of Prayer for Associational Missions

"Now, as we have many parts in one body, and all the parts do not have the same function, in the same way we who are many are one body in Christ and individually members of one another. According to the grace given to us, we have different gifts: If prophecy, use it according to the proportion of one's faith; if service, use it in service; if teaching, in teaching; if exhorting, in exhortation; giving, with generosity; leading, with diligence; showing mercy, with cheerfulness" (Romans 12:4-8, CSB).

A pastor's work can be lonely and exhausting. This year, the prayer emphasis for Southern Baptist associations focuses on our pastors' health, strength, and wellness. Each of us can play a vital part in making their jobs easier. Would you join us this week in prayer, not only for your pastor, but all of the pastors in your association?

Pray that the pastors in your association will strengthen and encourage one another. Pray that the pastors in your association can confidently make any difficult but God-honoring decisions that need to be made in their ministry. Pray today that the pastors in your association who may be struggling emotionally will experience renewed vibrancy in their relationship with the Lord, their families, and their people.
